TESTIMONIALS...

"I discovered immense inner strength that I never knew I had" - 47 year old female participant."

"The Berwick Outdoor Experience was one of the most rewarding weeks I have ever put in, in my whole life. The close bond formed between us as a team was quite fantastic. I believe I am now a much better person than the one who arrived and am proud of myself for achieving the Berwick Outdoor Experience. Never was anyone at risk at any time that wasn't being monitored and looked out for by the instructors. The organisation was tops and from the bottom of my heart I thank you."

"Find out where your strengths lie, you will come away stronger and more confident, and ready to take on anything life throws at you." - 79 Year old Female.
