

The Berwick Outdoor Experience

Dear Sponsors, Friends of BOE and Past Participants,

When things go wrong, use the STAR Model for making Decisions:

This is what we try and practice at BOE: **Stop – Think – Access – React.**

Having practised what we preach there was only one way we could react to the situation we face as a country.

So, as I am sure most of you would have already been expecting we have cancelled this year's course. It is gutting to have had to make this decision knowing all the work and support that many of you have contributed.

- I will contact all of those who have registered and let them know the situation.
- We will offer to keep their applications on file and give them the chance to re-register for the next course (in consultation with their current sponsor).
- Full refunds will be available to those who have paid the application fee.
- If you have paid via internet and not advised me then it would be helpful if you could do so.

If you have any other questions or queries, please don't hesitate to get in touch.

On behalf of The Taieri Lions BOE organising committee and the Instructing team, we thank you for your efforts and cooperation.

We trust that when more normal time return as they surely will then we can once again rely on your support.

Regards,

Kevin Moore
